ASSENTED TO MOTION FOR A CONTINUANCE

The United States of America, by and through the undersigned attorneys, hereby moves for a continuance of the sentencing date in this matter for a period of 90 days from the currently scheduled date of September 22, 2011.

In support of its motion, the government states that the defendants' plea agreements require the defendants to cooperate with the United States. Currently, this matter remains the subject of an ongoing criminal investigation. The government anticipates that the investigation will be concluded within the next ninety days. The plea agreements in this matter provide that the government will make a motion pursuant to U.S.S.G. §5K1.1 if the defendants provide substantial assistance to the United States. At the earliest, the government will not be in a position to make such a motion until the underlying criminal investigation is concluded.¹

¹ If helpful, the government will make a separate ex parte submission regarding the status of the underlying investigation.
